Safety Notes:

➔ License plates are being removed by thieves city-wide for use on stolen or unlicensed vehicles.
  ◆ Prevention Tips:
    ● Check the front and back license plates of your vehicle frequently to ensure they have not been tampered.
    ● License plates are also being swapped with stolen cars with the same make and model. Ensure the license plate you have is indeed yours and registered to your vehicle.

Secure your license plate with tamper resistant security screws.

Burglary of residence is occurring at high frequency in off-campus neighborhoods, especially Marcy-Holmes.

- Prevention tips
  - Always lock your windows and doors, even if you are leaving for a short time.
  - Do not let people “tailgate” into the common entrance doors of your building.
  - Keep exterior lights on.
