Safety Notes:

➔ There is a pattern of increased theft in the Marcy-Holmes neighborhood.
  ◆ As stolen bikes become more prominent with the warmer weather, please make sure to lock your bike up, or to keep it locked somewhere inside, no matter how little you’re gone for.
  ◆ As thefts and incidents regarding motor vehicles continue to rise, be sure that you are keeping your car locked, windows shut, and your car keys out of reach. This pertains to everyone, but if you live near University Ave, be extra cautious with your property.

➔ Burglary from motor vehicles has increased from previous months in the off-campus neighborhoods.
  Prevention:
  ◆ Do not leave anything of value in your vehicle.
    • Many of these crimes are “smash and grab” in which windows are broken and items grabbed quickly.
  ◆ Always lock your vehicle and never leave your running vehicle unattended.
