Crime Highlights:
➔ On July 6th at 2:45 a.m. Minneapolis police were notified of two gunshot victims from the Cedar-Riverside neighborhood that had arrived at Hennepin County Medical Center.
  ◆ The victims were standing in the 400 block of 15th Avenue South when they were approached by a group of people who started shooting.
  ◆ One of the victims had non-life threatening injuries, while the second victim died at the hospital during emergency surgery.
  ◆ Police currently do not have anyone in custody at this time.
➔ Police responded to a report of shots fired early in the morning on July 17th in Prospect Park.
  ◆ Officers arrived at the scene shortly after 3:00 a.m.
  ◆ The victim was found on St. Mary's Avenue and Delaware Street Southeast. He was in his late teens and was suffering from gunshot wounds. He was taken to the hospital in critical condition.
  ◆ Investigators are still working to identify the events leading up to the situation.

Safety Notes:
➔ Burglary from motor vehicles has increased from previous months in the off-campus neighborhoods.
  Prevention:
  ◆ Do not leave anything of value in your vehicle. Many of these crimes are “smash and grab” in which windows are broken and items grabbed quickly.
  ◆ Always lock your vehicle and never leave your running vehicle unattended.
➔ Robberies are occurring at a higher frequency in the Marcy-Holmes neighborhood.
  Prevention tips:
  ● Always be alert and aware of your surroundings. Avoid walking with distractions. Put away your phone.
  ● Try to walk with a group. Always walk in well-lit, well-traveled areas.
  ● Trust your instincts and feelings. Avoid suspicious situations.
