Safety Notes:
- Back to School means an increase in all forms of traffic and an increase in collisions. Here are tips to stay safe while walking:
  - **Before crossing a street, scan in all directions.** Look left, right, and then left again.
  - **Cross streets at marked crosswalks.** Marked crosswalks have pavement markings, pedestrian warning signs, and/or flashing lights.
  - **When ready to cross a street, make eye contact with vehicle drivers, and keep your eyes and ears on vehicle speed and noise.** Always be prepared for a motorist who fails to yield the right-of-way.
  - **Obey "Walk/Don’t Walk" signals.** Minnesota Signal law says that a pedestrian may only enter a signalized intersection when the “Walk” signal is shown.
